A MESSAGE FROM THE PRESIDENT OF THE SANFORD LIONS CLUB

In 1936 the Sanford Lions Club was organized under the Constitution and By-Laws of International Association of Lions Clubs. The Sanford Lions Club has grown from twenty-four members, at the time of organization, to a present membership of eighty-seven.

The Objects of this club are:

1. To form a body of men thoroughly representative of the business and professional interests of Lee County; to unite its members in closest bonds of good fellowship, and to promote a closer business and social union among them.
2. To encourage active participation in all things that have to do with Agricultural, Commercial, Civic, and Industrial betterment.
3. To uphold the principles of good government.
4. To assist in every honorable way in furthering the interest of its members, and toward bringing about a better understanding among men.
5. To teach that organization, co-operation, and reciprocity are better than rivalry, strife, and destructive competition.
6. To encourage the application of the highest ethical standards in business and endeavor, by the exchange of methods and ideas, to increase efficiency in all lines represented.

The outstanding activity of this club is the annual Lee County Fair. We are particularly interested in this activity, because it is one of the objectives of our club, and it gives us an opportunity to work with the entire population of Lee County. This Fair is made possible by the cooperation of the farmers of the county, the County Agent's Office, the U. S. D. A. Council, the Agriculture and Home Economics Teachers, the Merchants of the County, the Mayors and Town Aldermen of greater Sanford and Broadway, the County Commissioners, the Home Demonstration Agent, and Home Demonstration Clubs, the 4-H Clubs, F. F. A. Clubs, and other clubs, agencies and individuals. Under the cooperation and guidance of the above clubs, governing agencies, and individuals, the Lee County Fair has continually shown improvement in quantity and quality of exhibits shown each year.

I would like to take this opportunity to thank all of the individuals and organizations that have helped to make your Lee County Fair an annual success.

SANFORD LIONS CLUB,

C. Broadus Foushee, President.

LETTER FROM COUNTY FARM AGENT

To the Farmers of Lee County:

The Lions Club of Sanford has again made plans for the Annual Lee County Fair. Indications are that it will be the best fair ever conducted here in our county. I would like to urge every farmer and farm boy to exhibit some of their best field crops, garden products, livestock and poultry.

Livestock exhibits—dairy cattle, beef cattle, hogs and poultry —to me make up an important feature of any fair. Let's all take an active part in these features. The Dairy Cattle Show will be held again this year at night. Bring on those good purebred and grade heifers and cows and make this year's show a real show.

Remember you get as much out of the fair as you put in it— so plan now to make several exhibits. You'll have a real pride in competing with other farm people as well as the satisfaction of making the fair the best yet.

Sincerely,
K. S. HARMON,
County Agent.

LETTER FROM LEE COUNTY HOME AGENT

To the Lee County Women:

The Sanford Lions Club sponsoring the Lee County Fair is offering a real opportunity to each of you to display your home products. I hope that you will take time and select your best products and proudly display them and compare them with the best products your neighbors have.

I hope that by better exhibits, we will be able to see real progress and improvement being made throughout Lee County. A friendly challenge is offered to the rural people of the County to compete in the spirit of "best Achievement" with our fellow citizens, so let's support our fair and make it the best ever.

Sincerely yours,
JULIA ALEXANDER,
County Home Agent.

A LETTER FROM THE CHAIRMAN OF THE FAIR COMMITTEE

To the Citizens of Lee County:

Personally and on behalf of the Sanford Lions Club, I take pleasure in welcoming you to the 1949 Lee County Agricultural Fair. We are bringing you a full week of fine entertainment and fun, also an opportunity to display the efforts of your year's work along with the work of your friends and neighbors.

The Fair Committee has studied all suggestions presented and has tried to work out these suggestions to the benefit of all. It is our aim to make this the biggest and best fair in the history of these fairs. Your cooperation is the making of an event of this kind and I want to express my appreciation for all the things you have done, alone or as a group, towards the development of the Fair.

We believe ample space is available for displaying any home or farm product you wish to exhibit. The expanded and more attractive premium list in the Fair Catalog is second only to the State Fair and Southern States Fair. We now have premiums offered for Cakes and Bread which are well worth trying for. We hope to welcome back our friends who have brought exhibits in the past and urge all other citizens to take an active part in the fair.

We want to express our thanks and gratitude for the support of the advertisers, exhibitors, and other individuals making possible our Fair. Most especially do we want to thank Mr. K. S. Harmon, our Lee County Farm Agent; Miss Julia Alexander, our Home Demonstration Agent; Mr. R. A. Currie, Mr. J. B. Lipscomb, and Mr. L. F. Meador, our Agricultural teachers; our Vocational and Home Economics teachers; the Home Demonstration Clubs; and every fine citizen for their loyal work and support in making the 1949 Lee County Agricultural Fair a success.

Entertainment will be furnished by Penn's Premier Shows again and this reputable organization will present for your pleasure the latest riding devices, a new variety of clean shows, and nightly free acts featuring "Eric the Great," coming direct from the Toronto Exposition. This act is 165 ft. high and very outstanding. We also plan a mighty display of fireworks each night, a large livestock show, and other ideas which will help make this fair a credit to our community.

Proceeds from this event will be used for civic betterment, and charitable causes in our County. We hope you will receive the greatest of enjoyment from engaging in and attending our fair and your fair.

Sincerely yours,
J. E. DAVIS, Chairman
Fair Committee,
Sanford Lions Club.

DAIRY CATTLE SHOW

The Lee County USDA Council, with the cooperation and financial help of the Lions Club of Sanford, will hold a Dairy Cattle Show on Wednesday, October 5, at 7:00 P. M. In any case where questions arise that are not covered specifically by the following rules the decision of the livestock show committee will be final. All animals to be shown must be on the Fair Grounds not later than 3:00 P. M. on date of show.

Stalls will be available for dairy animals this year. All animals not milking will be kept at the fair grounds the entire week. Animals may be moved from the fair grounds on Saturday, October 8. All animals must be away by 6:00 P. M.

EXHIBITORS WILL FURNISH FEED, HAY, FEED AND WATER BUCKETS. The fair sponsors will have some one to feed and care for the animals during the time the animals are left at the fair grounds.

Plans have been made to have a dairy specialist from State College to do the animal judging at the show. Breeding and feeding of dairy animals will be discussed between the various events of the show.

PURPOSE

The purpose of this show is to encourage the young farm boys and girls and adult farmers of Lee County to breed and raise more and better milk cows. There is a definite need for improving the quality and increasing the number of milk cows in this county, and for training our young people in better practices in breeding, feeding, management methods and a balanced farm program.

ELIGIBILITY AND BREEDS

Any farmer residing in Lee County is eligible to enter animals in this show. 4-H Club and F. F. A. members are urged to exhibit their animals. All animals to be shown must be approved by the County Farm Agent or Vocational Agriculture Teacher, not later than September 24, 1949.

Any purebred or grade heifer or cow three months old or older will be eligible to enter in one of the six classes listed below. The following breeds will be eligible: Holstein, Jersey and Guernsey.

PREMIUMS

Registered and grade animals will be shown in separate classes and a minimum of $6.00 per head for registered animals and $4.00 per head for grade animals will be paid on each animal shown.

The Danish System of judging will be used. Under this system the Judge divides each class into three groups according to the type and quality of the animals. No animal shown will receive a smaller premium than specified above unless disqualified by the judge.
